

Custom Cabinetry

 **simwork**

Your home should be a reflection of you — refined, purposeful, and beautifully built.

Our master carpenters, designers, and engineers merge fine craftsmanship with thoughtful innovation to create cabinetry and joinery pieces that elevate everyday living. Guided by precision and your unique vision, we bring bespoke woodwork to life with the same dedication that defines Dubai's finest interior creators.

WALK-IN WARDROBES

Your walk-in wardrobe should be as functional as it is elegant. Our bespoke layouts allow seamless integration of drawers, hanging rails, shoe storage, and island units, while offering a mix of open and closed storage solutions. Complete the look with your preferred materials, finishes, and lighting, transforming daily routines into a luxurious, organized experience.

INTERIOR FINISHES

Maximize style and storage in every bedroom with our custom cabinetry solutions. From built-in wardrobes to sideboards, bedside units, and dressers, each piece is designed to complement your space perfectly. Sliding or hinged door options offer flexibility and elegance, ensuring a harmonious blend of functionality and design.

VANITIES & BATHROOM CABINETRY

Transform your bathroom into a sanctuary of form and function. Our vanities and cabinetry offer floating or floor-mounted layouts, integrated basins, and stone countertops, paired with mirrored cabinets for added convenience. Finished with moisture-resistant surfaces and versatile hardware options, each piece is crafted to endure and impress.

MEDIA WALLS & HOME BARS

Redefine your living and entertainment spaces with cabinetry designed for both function and flair. Media walls feature integrated lighting, custom shelving, and concealed storage with cable-management solutions for a sleek, organized look. Home bars offer wine storage, bottle displays, under-counter units, glass cabinets, stone benchtops, and optional appliance integration to create the perfect entertaining hub.
